OFFICE OF GENERAL COUNSEL

Honorable Lawrence Houston
General Counsel
Central Intelligence Agency
2430 E Street, N.W.
Washington 25, D.C.

Dear Mr. Houston:

In response to your request I am enclosing six copies of the Manual on Civilian Pay, prepared in this office.

We have included all important decision material, and while it is not to be regarded as authoritative or binding on the Comptroller General we believe it will be helpful as a reference work. We intend periodically to bring the manual up to date by the insertion and substitution of loose-leaf material. Copies of these revisions will be forwarded to you for inclusion in the manual.

Sincerely yours,

General Counsel
